## EXPERIENCE

### PLAY-BY-PLAY

**Minor League Baseball**    **Three teams**    **2016-2019**

Corpus Christi Hooks    Corpus Christi, TX    Current

• Broadcaster with the Double-A affiliates of the Houston Astros in the Texas League  
• Called every home game of the regular season and hosted live pregame show on in-house entertainment team  
• Hosted and edited several video content features for the team's social media accounts, in addition to managing in-game highlight sharing.

Down East Wood Ducks    Kinston, NC    '17 & '18 seasons

• Director of Broadcasting/Media Relations with the Advanced-A affiliates of the Texas Rangers in the Carolina League  
• Called every game of the regular season and postseason solo  
• Distributed daily game notes, managed social media accounts, and wrote game recaps among various other daily tasks

Orem Owlz    Orem, UT    '16 short-season

• Rookie affiliates of the Los Angeles Angels of Anaheim in the Pioneer League  
• Called all 81 games of the regular season and postseason solo  
• Doubled and tripled numerous social media analytics positively compared to the 2015 season.

### Hockey

**2013-2017**

Arizona State Sun Devils    Tempe, AZ    '15, '16, '17 seasons

• Served as the lead broadcaster for the first three seasons of the NCAA era  
• All games were streamed on Arizona State's Pac-12 livestream channel  
• Also streamed the first two editions of the Desert Hockey Classic in Glendale and Prescott Valley through FastHockey online.  
• For televised games, I broadcasted through the student radio station, Blaze Radio ASU  
• Freelanced for USCHO.com to write recaps of the DHC in 2016 in Prescott Valley.  
• Also served as a broadcaster with the Arizona Redhawks

### Other sports

• During my time at Arizona State and throughout my career I have called ASU football, men's & women's basketball, baseball, and softball.

## PRODUCING

### Studio Host/Producer

Learfield IMG College    Winston-Salem, NC    '17 & '18

• Served as the studio host and producer for all Washington State football and basketball broadcasts through the network  
• Performed the same role for the Boston College Men's Hockey team in 2017-2018  
• Tasks included engineering all broadcasts on the network through IP and ISDN connections, cutting and archiving highlights, social media sharing, managing the commercial and in-game read logs, and more.

## EDUCATION
